

Light Garden

INTRODUCING THE BATH + BODY EDIT

Brit-born CBD brand, Light Garden Wellness, launches new Bath + Body Edit just in time for the festive season. Available from November, you can stock up on self-care inspired stocking fillers from just £20.

CALMING MASSAGE OIL

RRP £40

Nothing says self-love like a massage and now you can take yours up a level with our new Calming Massage Oil infused with CBD (500mg), Essential Oils and Ginger.

CALMING CANDLE IN 'PEACE'

RRP £35

Our new 'Peace' soy wax candle is infused with mindfully scented Lemongrass, White Patchouli and CBD Oil (100mg) to help you find a state of centred inner peace.

CALMING CANDLE IN 'DREAM'

RRP £35

Our new 'Dream' soy wax candle is infused with delicately scented French Lavender and CBD Oil (100mg) to help you find a state of deep relaxation at bedtime.

CALMING BATH BOMB

£20

Our Calming Bath Bomb contains two fizzes for double the fun and is a lightly fragranced Lavendar scent to promote sleep and serenity. Contains 100mg of CBD.

Light Garden

BEHIND THE BRAND

MEET LIGHT GARDEN WELLNESS

LightGardenShop.com / @LightGardenShop

Light Garden Wellness is a Brit-born brand that offers premium CBD products to help customers find inner calm and better sleep. The range includes CBD Oils, Gummies, Capsules and Bath & Body products.

AWARD-WINNING CBD

Winner: Best CBD Brand - Hip and Healthy Magazine

Still in its infancy, Light Garden has captured the hearts of media and customers looking to have more open conversations the importance of self-care and raise awareness on stress management in the workplace.

SELF-CARE MADE SIMPLE

Promotes Inner & Outer Success

Light Garden Wellness not only produces premium quality CBD products, but also offers well-being education & live experiences to help busy professionals manage find light in their day, such as its annual Wellness Festival, hosted by founder Irene Moore.

LOCALLY & ETHICALLY SOURCED

People, Planet, Purpose

Our products are cruelty-free, grown organically and small batched sustainably and ethically. We're also a proud partner of the One Tree Planted Reforestation Project and plant a tree with each product sold.
