

Introducing: A&J Personalised Comics

You're invited to review... he doesn't need another new tie! Create the perfect Father's Day gift with these personalised comic books

What is it?

A&J Personalised Comics help turn memories into something you'll treasure forever by creating personalised comic books for any occasion - complete with edited photos and personalised captions.

Available as comic books, posters, and hardback books - **A&J Comics'** personalised comics are the perfect geeky gift for any dads this Father's Day to cherish for years to come.

What you need to know...

With a comic book for every occasion - including anniversaries, birthdays, and more - just choose the design that fits you and upload your photos.

A&J Comics then work their magic on each of your photos individually to create a stunning, professional-looking comic book before sending you a PDF to review within 48 hours.

In just one week, your most cherished photos will come to life in a stunning physical comic book - ready to be presented to your beloved dad, grandfather, or father figure. The perfect way to show your appreciation and love in a unique, thoughtful, and unforgettable way.

Why you need to try...

A great Father's Day gift can be tricky depending on how cheesy dad is, but **A&J Comics'** personalised comic books are the perfect idea for men who are a bit quirky. Whether they read comics growing up, or they just like Marvel films - guys like comics.

A&J Comics' personalised comic books are available to order now via [Etsy](#), [Not On The High Street](#), [Amazon](#), and the [A&J website](#) starting at £25.
