

LIMONCELLO DI CAPRI

FACT FILE

Brief Description:

This tantalising liqueur is made with 100% authentically sourced ingredients, including the distinctively flavoured Sorrento 'I.G.P' lemons.

The unique zingy flavours of the fruit combined with a production process which has remained unchanged over one hundred years and takes place on the Gulf of Sorrento, gives the drink its outstanding flavour.

Originally produced as a post meal digestif, this adaptable drink can now be enjoyed in a variety of different serving suggestions.

Launched in 2023 was Limoncello DI CAPRI Cream, a smooth, silky cream liqueur, that balances the quintessential tartness of lemons with a creamy texture.
