

RAINBOW NIGHTINGALE NIGHTGOWN —SOLD IN SUPPORT OF NHS CHARITIES TOGETHER—

Introducing a dazzling new version of Smock's bestselling Nightingale Nightie: Rainbow. A powerful symbol of the optimism we all need right now, this nightie is for little ladies who dream big and bright even on the darkest of days! Just like the fitting namesake of this handsmocked nightgown, Florence Nightingale, who began modern nursing on the battlefield of the Crimean war. The nightgown is made from skin-soft 100% cotton in moonstone, pleated and painstakingly embroidered by hand with all 7 colours of the rainbow. It is finished with billowing sleeves, delicately gathered into the daintiest of cross-stitched rainbow cuffs and crowned with a regal cross-stitched frill collar.

To reinforce the message of hope, 10% of all proceeds from our Rainbow Nightingale Nightdress will go to NHS Charities Together.
