Pre-Christmas fun with new advent calendars from PLAYMOBIL

This year, the new PLAYMOBIL Advent calendars will once again shorten the pre-Christmas wait for the big presents with 24 little surprises. Four new themes with original PLAYMOBIL figures, animals and lots of accessories provide playful variety.

It's Christmas at Waterfall Ranch! In the Advent Calendar **Christmas Sleigh Ride**, a very special surprise for little horse fans is hidden behind each door. A winter sleigh ride takes Isabella and her animals to the nearby Lelawala Forest. Here she feeds hay, vegetables and treats to the forest animals.

In the Novelmores Advent Calendar **Battle in the Snow**, Bayron races his battle sled toward Novelmores wintry castle gate, while Brody's catapult holds a very special gift for Arwynn. Just in time for Christmas, the knights have prepared their wish lists and even sign a peace treaty at the end.

Even during the pre-Christmas season, crime does not rest: In the Police Advent Calendar **Museum Theft**, burglars try to capture high-value exhibits. Over the 24 days leading up to Christmas, a detailed diorama of the scenario is created. The platform "collapses" at the push of a button and a policeman arrives in no time on a motor bike.

A heavenly celebration awaits the princesses in the Advent Calendar **Christmas under the Rainbow**: a beautiful Christmas tree, treats, presents and a golden Pegasus foal. The princesses with new, flexible skirts can be made to dance on the spinning tops. A special highlight is the charm bracelet with Christmas charms.

The PLAYMOBIL advent calendars are the ideal alternative to chocolate and homemade crafts. Play fun is guaranteed right from the first door and makes you look forward to the big festivities.
